The Patterson Family Foundation has once again made matching funds available to the Valley Falls Community Foundation to be used during this year's Give Back to Valley Match Day event. With your help, we can secure additional pro-rated matches of gifts given to the funds of the foundation that can be used to improve our community. **This year gifts up to \$10,000 per person, per organization, will be matched on a pro-rated basis.**

Here's how it works:

- Write ONE check made payable to VFCF for your entire gift.

Please note, when someone makes a gift to a fund, that fund receives that entire donation. Additionally, each gift will be matched by the Patterson Family Foundation (PFF). The receiving fund will receive a pro-rated match and the Community Foundation's Endowment Fund will also receive a pro-rated match from each gift made. The maximum amount of match money available from the Patterson Family Foundation is \$100,000 this year.

Give Back to Valley is an opportunity to quickly grow our funding for charitable and philanthropic causes, so that we can enrich our programs for an even greater impact in our community for years to come.
